

The Lake Central Education Foundation Needs You!

The Lake Central Education Foundation is a group of community members, local business people, teachers, and parents who have joined together to support the Lake Central School Corporation. Each year we offer two rounds of grant opportunities that encourage educational activities in our school. We have provided almost \$200,000 to the schools since 1996. These funds support motivational learning activities that are not normally funded by the school budgets. You can support the LCEF and your school in several ways:

Become a Member

Make a Donation

Join a Committee

Give a Tribute

Serve on the Board

Write a grant proposal

Purchase Garfield license plates

To become a member of the LCEF, return the form below to your school office or mail to Central Office at 8260 Wicker Avenue St. John, IN 46373. For more information about the LCEF, visit our website: lakecentralef.org. Together we can make a difference!

Name _____

Address _____

School(s) _____

Membership Levels

_____ **Gold (\$200.00 and over)** _____ **Silver (\$150.00)** _____ **Bronze (\$100.00)**

_____ **Pewter (\$50.00)** _____ **General (\$25.00)**

_____ I would like to become actively involved in the Lake Central Education Foundation by serving on a committee. Please contact me at _____.
